In the name of the almighty

Respected civilian court, kind greeting,

I have previously sent to you a petition asking you to look into my case and the validity of my detention. It was dated 8 of March 2005. I have received your reply to it and I was elated for your concern about the issue. But unfortunately I couldn't read your reply because it was typed in the English language and I can't read English. Also those in charge of the prison would not allow translation for your response. Therefore, I would like from you to send me a response in my language, Arabic or allow for me to get this response translated by one of the existing translators at the camp. I give you my gratitude and respect.

Noting that your response that reached me was dated 3 June 2005, its number GUAN-2005-1 ...907

Detainee, ARKAN MOHAMMED GHAFIL AL-KAREEM, my number 653 2005/8/8
